Linda,

Just to clarify, the released dwgs and ECN left Calgary today and will arrive in Hawkesbury tomorrow.
Per the ECN, we need to make a basket, a strut, and two brackets for Great Slave per the released dwgs.
Need to make this stuff ASAP.
We also owe them an ARC for a D117-837-011 kit, but they already have the D117-837-111 provisions.

Regards,
David

So if everything is U/R, do we make a new basket?
